Dr. Joseph Laycock, Editor
Nova Religio

Dear Dr. Laycock:

Tiwi Etika and I would like to express our appreciation to you, other editors, and anonymous reviewers for the invitation to revise our manuscript, "Kaharingan or Hindu Kaharingan: What's in a Name in Indonesian Borneo?" for consideration for publication in *Nova Religio*. The manuscript has benefitted greatly from comments and suggestions with which we were provided on April 8, 2021. We have addressed each one, and it is our pleasure now to submit our revised manuscript for your consideration.

As instructed, we are including a separate file indicating our responses to the reviewers and the revisions to the manuscript that have resulted our attention to reviewers' their comments, suggestions, and requests.

We continue to welcome additional feedback and are certainly prepared to make other revisions if asked. Thank you for your encouragement and for your continued interest in our work.

Sincerely,

A handwritten signature in black ink, appearing to read "Anne Schiller", written over a light blue horizontal line.

Anne Schiller

Professor of Anthropology
George Mason University
